

Goats In Trees
Foster The People

B **Am** **G** **G2**
I was caught inside the wreck
D **G**
Never found my way out
F#m **E**
I was filled with indifference
B **G#m** **G** **G2**
The animals were getting tired
D **G**
So I sang them a song
F#m **E**
cause they promised not to take too long

B Am G G2
I can t find my way back home

D G
I ll listen to you if you want me to

F#m G
But you have to share a smoke

B G#m G G2
Yeah I ve been running against the wind

D G
And I can t hear the angels calling

F#m G
The madness has been pulling me right

Em
Back out of my stride
F#m
I feel the change in the rising tide and
Em
Blood is in the room
F#m **D**
I buried all my wrongs there with my youth

(D) G F#m
(Don t give up on me now)
D
I m on the outside
(D) G F#m
(Don t give up on me now)
B Am G G2 D G F#m E
And I m falling apart

B **Am** **G** **G2**
Well please to meet you, excuse my hands

D **G**
I ve been bitten by an enemy
F#m **G**
That s pretended to be my friend
B **G#m** **G**
No I never wanted to be like them
G2 **D**
I thought I was just too clever
G **F#m** **G**
To be brought down to their level of misfortuned chagrin

B **Am** **G**
I don t care about what it s worth
G2 **D** **G**
But if you lift this burden off my back
F#m **E**
I ll follow you to the bloody end
B **G#m** **G**
I ve lived my life the way I want
G2 **D** **G**
But no one can tell me they re not afraid
F#m **G**
Of the freedom of deliverance

Em
Well I take it all in stride
F#m
I feel the change in the rising tide
Em
And someone s in the room
F#m **G**
I buried all my guilt there with my youth

(D) **G** **F#m**
(Don t give up on me now)

D
I m on the outside
(D) **G** **F#m**
(Don t give up on me now)

D
But it s warm on the outside
(D) **G** **F#m**
(Don t give up on me now)

G
That s a lie

A **B**
I don t wanna fall apart

The darkest days upon you

My blood was turning to sand

D **G** **F#m**
The darkest days upon you

G **D** **Am**

The feverish days upon you
