I Would Do Anything For You
Foster The People

```
F                        G    Am
Never want to stand up on myself
F                        G      Am
Never want to get in the way I said it
F                     G       Am
I don t know what the plan is but you can
F        G  Am
Share with me Cause I ll
```

```
F                  G    Am
Be a listening ear to everything you
F               G     Am
Say I won t turn away
         F                    G    Am
And I ll Listen open up my heart and I must
F        G    Am
Say that I love you so
```

```
F           G             Am
Ooooh la love I ve fallen in love
         F                   G    Am
And it s better this time than ever before
F           G           Am
Ooooh la love I ve fallen in love
         F                G      Am
And it s better this time than I ve ever known
```

(**F   G   Am**) (2x)

```
F             G        Am
Every day is a battle I face
      F                        G         Am
It s a strange life I live but it s what you ve decided
F               G        Am
I give it all into your hands do what you
F        G  Am
will with me and I ll
```

```
F        G        Am
I ll smile when you speak
F                        G       Am
Remember all those times I was hoping for something?
F         G      Am
And shaking my head from all I had
F       G      Am
Done but you never left me
```

```
F              G                 Am
Ooooh la love I ve fallen in love
         F                    G      Am
And it s better this time than ever before
F         G              Am
Ooooh la love I ve fallen in love
         F                       G         Am
And it s better this time than I ve ever known

F              G                 Am
Ooooh la love I ve fallen in love
         F                    G      Am
And it s better this time than ever before
F         G              Am
Ooooh la love I ve fallen in love
         F                       G         Am
And it s better this time than I ve ever known
