D **D**
All the hard-drinking stiffs
 G **D**
Are asleep on their cots
 G **F#m** **Em** **A**
And fog s in barrels on Totten Pond Road
 D Aadd4
And the sots who remain
 Amadd11 **G**
Strike matches and crane
 Bm **G** **Asus4** **A**
Cause they can t make their way in the dark

D
It s a hard parlor game
 G **D** **G**
Playing miscues and pratfalls for laughs
 F#m **Em** **A**
From sad sacks and fairweather friends

D Aadd4
You don t have to catch on
 Amadd1 **G**
Lay it out and be gone
 Bm **G** **Asus4** **D**
There s a calm s been a long time coming

D **Asus4** **G** **D**
Mary oh Mary go find the light
 Am **Em** **G**
Take a hit from your whiskey and stumble inside
 D **Bm** **F#m** **G**
It s a tune from your childhood and a soft yellow moon
 Bm **G** **Asus4** **D**
And the firelight is just right for dancing

D
 Like the cruel April air
G **D**
 Plays muse to the hopeless
G **F#m** **Em** **A**
 And the storms coax sunflowers from mossy old hills
D **Aadd4**
 May this song find you there
Amadd1 **G**
 In your embroidered chair
Bm **G** **Asus4** **D**
 With your afghan and warm Darjeeling

D **Asus4** **G** **D**
 Mary oh Mary go find the light
Am **Em** **G**
 Take a hit from your whiskey and stumble inside
D **Bm** **F#m** **G**
 It s a tune from your childhood and a soft yellow moon
Bm **G** **Asus4** **D**
 And the firelight is just right for dancing
