Hey Julie
Fountains of Wayne

[Intro]

G C G D G C G D

[Verse]

```
G            C          G          D
Working all day for a mean little man
        G          C         G       D
With a clip-on tie and a rub-on tan
               Em                C            D              G
He s got me running  round the office like a dog around a track
     Em            C                D            G
But when I get back home, you re always there to rub my back
```

[Chorus]

```
G    C
Hey Julie,
D                  C
Look what they re doing to me
Em                   C
Trying to trip me up
          D        G
Trying to wear me down
G        C         D          C
Julie, I swear, it s so hard to bear it
        Em            C           D      G
And I d never make it through without you around
        Em            C           D      G
No I d never make it through without you around
```

[Verse]

```
G            C          G          D
Hours on the phone making pointless calls
        G           C            G        D
I got a desk full of papers that means nothing at all
      Em            C     D        G
Sometimes I catch myself staring into space
Em                 C        D        G
Counting down the hours  til I get to see your face
```

[Chorus]

```
G    C
Hey Julie,
D                    C
Look what they re doing to me
Em                   C
Trying to trip me up
          D       G
Trying to wear me down
G        C           D      C
Julie, I swear, it s so hard to bear it
        Em          C        D      G
And I d never make it through with out you around
        Em          C        D      G
No, I d never make it through with out you around
```

[Bridge]

```
Em                    Bm
How did it come to be
                  C
That you and I must be
                D
Far away from each other every day?
Em                   Bm
Why must I spend my time
            C
Filling up my mind
                        D
With facts and figures that never add up anyway?
    C
They never add up anyway
```

[Verse]

```
G          C        G          D
Working all day for a mean little guy
        G      C      G        D
With a bad toupee and a soup-stained tie
          Em                 C
He s got me running  round the office
      D         G
Like a gerbil on a wheel
      Em              C
He can tell me what to do
          D              G
But he can t tell me what to feel
```

[Chorus]

```
G     C
Hey Julie,
D                    C
Look what they re doing to me
Em                   C
Trying to trip me up
            D        G
Trying to wear me down
G       C         D         C
Julie, I swear, it s so hard to bear it
      Em          C           D     G
And I d never make it through without you around
      Em          C           D     G
No I d never make it through without you around
      Em          C           D     G
No I d never make it through without you around
