Counting down the hours til I get to see your face

Hey Julie,

**Eb C#**

Look what they re doing to me

**Fm C#**

Trying to trip me up

[Bridge]

**Fm Cm**

How did it come to be

**C#**

That you and I must be

**Eb**

Far away from each other every day?

**Fm Cm**

Why must I spend my time

**C#**

Filling up my mind

**Eb**

With facts and figures that never add up anyway?

**C#**

They never add up anyway

[Verse]

**G# C# G# Eb**

Working all day for a mean little guy

**G# C# G# Eb**

With a bad toupee and a soup-stained tie

**Fm C#**

He s got me running round the office

**Eb G#**

Like a gerbil on a wheel

**Fm C#**

He can tell me what to do

**Eb G#**

But he can t tell me what to feel

[Chorus]

**G# C#**

Hey Julie,

**Eb C#**

Look what they re doing to me

**Fm C#**

Trying to trip me up

**Eb G#**

Trying to wear me down

**G# C# Eb C#**

Julie, I swear, it s so hard to bear it

**Fm C# Eb G#**

And I d never make it through without you around

**Fm C# Eb G#**

No I d never make it through without you around

**Fm C# Eb G#**

No I d never make it through without you around
