[Verse]

F Bb F C
Working all day for a mean little man
F Bb F C
With a clip-on tie and a rub-on tan

But when I get back home, you re always there to rub my back

Hey Julie,
C Bb
Look what they re doing to me
Dm Bb
Trying to trip me up
C F
Trying to wear me down
F Bb C Bb
Julie, I swear, it s so hard to bear it
Dm Bb C F
And I d never make it through without you around
Dm Bb C F
No I d never make it through without you around

[Verse]

F Bb F C
Hours on the phone making pointless calls
F Bb F C
I got a desk full of papers that means nothing at all
Dm Bb C F
Sometimes I catch myself staring into space
Dm Bb C F
Counting down the hours til I get to see your face

[Chorus]

F Bb
Hey Julie,
C Bb
Look what they re doing to me
Dm Bb
Trying to trip me up
C F
Trying to wear me down
F Bb C Bb
Julie, I swear, it s so hard to bear it
Dm Bb C F
And I d never make it through with out you around
Dm Bb C F
No, I d never make it through with out you around

[Bridge]

Dm Am
How did it come to be
Bb
That you and I must be
C
Far away from each other every day?
Dm Am
Why must I spend my time
Bb
Filling up my mind
C
With facts and figures that never add up anyway?
Bb
They never add up anyway

[Verse]

F Bb F C
Working all day for a mean little guy
F Bb F C
With a bad toupee and a soup-stained tie
Dm Bb
He s got me running round the office
C F
Like a gerbil on a wheel
Dm Bb
He can tell me what to do
C F
But he can t tell me what to feel

[Chorus]
