Em A Bm G  
Wake up boys, we re in the dump again  
Em A Bm G  
Can t get a taxi, it s bucketing rain  
Em A Bm G  
Heading downtown with nothing in my brain  
F#m G  
Trying to catch my breath  
Em A Bm G  
Tired legume in a smoke-filled room  
Em A Bm G  
The high school guys are making noise outside  
Em A Bm G  
Walking the hall with my shoes untied  
F#m G  
Dying to catch my death  
  
A D A D  
And now it s Pekoe tea with a reflection of me  
A D A D  
My only company as far as I can see  
G D/F# A  
We re doing this the hardest way  
G D/F# A  
Back at the Hotel Majestic  
Em A | D A | Bm G | Em A | Bm G |  
Same time every day Hey hey  
  
Em A Bm G  
Watch what you wish for, maybe wish too much?  
Em A Bm G  
You ll wake up in Westmoreland doubling Dutch  
Em A Bm G  
Aware of the uproar but numb to the touch  
F#m G  
Sifting through bad poetry  
Em A Bm G  
A sweet disorder never served me as well  
Em A Bm G  
As a tape recorder and a worn-out Dell  
Em A Bm G  
Time to reorder, man I feel like hell  
F#m G  
I wonder what s on TV
