Hung Up On You Fountains of Wayne

Artist: Fountains of Wayne Song: Hung Up on You Album: Welcome Interstate Managers Tabbed by: Naseem Hyder

## Α

While I down Kentucky bourbon D I am waiting for a call E And the moon and stars tonight A Are playing shadows on the wall

# A With the moon the way it is, dear D Would you answer out of spite E A Or are you feeling lonely tonight

### А

Cause I remember last time D We were out under the stars E Driving crooked down the highway A Drinking beer in roadside bars

### А

And now and then I wonder D Why this painful memory E A Can never find its way to you from me

## CHORUS

A
And I can t dial the phone just now
 D
Even though I know your number
 E
 A
Can t bring my broken heart to be untrue

Like you did today

Α

D

You ll say goodbye the same old way  ${\bf E}$ 

Ever since you hung up on me A

I m hung up on you

Well the house I m ringing up from Is a half a mile from you But with the reception I m getting Might as well be Timbuktu

And behind the door of your home Is a strange and foreign land Where you speak a language I don t understand

CHORUS

Now I m going down to Jimmy s bar Like a thousand other times With an appetite for poison And a suitcase full of dimes

And I ll wait there by the payphone With one hundred other guys With those sorry hung-up teardrops in our eyes

CHORUS
