

**Im In A Different World**  
**Four Tops**

Songwriters: HOLLAND, BRIAN/DOZIER, LAMONT HERBERT/HOLLAND, EDWARD, JR.

CAPO 1st Fret

(A)

In this world of ups and downs  
My dreams all fall through  
Things just don t work out,  
No matter what I do

(A)

Disappointment haunts me  
Through each lonely day  
The world around I see  
In only shades of gray

(?)

But when the lovelight shines  
Upon my face

(A#)

I m in a different world.

(C)

(F)

A world I never knew

(A#)

I m in a different world

(C)

(F)

A world so sweet and true  
I m in a different world

(F)

(A#)

I m no longer just another face

(C)

In a crowd

(F)

(A#)

Hey look into my eyes

(C)

You ll see I m strong and I m proud  
You are all the sweetness  
Of my life you see  
You have brought heaven  
Right here on earth to me  
No man of wealth  
I know I ll ever be  
But I ll be satisfied  
Just knowing you love me

On the stage of life

I ve played a losers part

It seems like I've been down  
Right from the very start

Every time I lift myself  
Up off the ground  
Something always happens  
To bring the curtain down  
But when your lovelight shines  
Upon my face  
I'm in a different world  
A world so warm and sweet  
I'm in a different world  
Now that you've been loving me  
I'm in a different world

Each time you speak my name  
Or put your hand in mine  
The empty life I knew  
I leave it far behind  
Cause you gave me the love  
That I truly felt  
Most of all you made me  
Believe in myself  
Your more than a love to me  
Your my way of life  
I'll forever cherish you  
More each day in night

Ah  
I'm in a different world

A world that's warm  
A world that's sweet  
A world that's every bit complete  
A world that's real you've made me see  
All the beauty surrounding me  
Ahh look what you've done for me  
Ahh look what you've done for me

I'm in a different world  
Now that you've been loving me  
I'm in a different world  
And that's where I want to be  
I'm in a different world  
Now that you've been loving me  
I'm in a different world  
(And that's where I want to be)  
It's in a different world  
Now that you've been loving me
