

**Its The Same Old Song**  
**Four Tops**

...IT S THE SAME OLD SONG... by The Four Tops  
-----.....

\*from The Four Tops Second Album (1965)\*

Intro:

**Am**

Verse 1:

**C** **Dm7**  
You re sweet as a honeybee, but like a honeybee stings,  
**F** **G**  
You ve gone and left my heart in pain.  
**C**  
All you left is our favorite song,  
**Dm7** **F** **G**  
The one we danced to all night long.  
**C**  
It used to bring sweet memories,  
**Dm7** **F** **G**  
Of a tender love that used to be.

Chorus 1:

**C** **G**  
Now it s the same old song,  
**Dm** **G** **F**  
But with a different meaning, since you been gone.  
**C** **G**  
It s the same old song,  
**Dm** **G** **F**  
But with a different meaning, since you been gone.

Interlude:

**Am**

Ah, oh a...

Verse 2:

**C**  
Sentimental fool am I,  
**Dm7** **F** **G**  
To hear an old love song and wanna cry.

**C**

But the melody keeps haunting me,

**Dm7**

**F**

**G**

Re-minding me, how in love we used to be.

**C**

Keep hearing the part that used to touch our hearts,

**Dm7**

**F**

**G**

Staying to-gether forever, darling, breaking up never.

Chorus 2:

**C**

**G**

It s the same old song,

**Dm**

**G**

**F**

But with a different meaning, since you been gone.

**C**

**G**

It s the same old song,

**Dm**

**G**

**F**

But with a different meaning, since you been gone.

Interlude:

**Am**

Instrumental:

**C, F G, Dm G F (x2)**

Verse 3:

**C**

Precious memories keep a lingering on,

**Dm7**

**F**

**G**

Every time I hear our favorite song.

**C**

Now you ve gone, left this emptiness,

**Dm7**

**F**

**G**

I only reminisce the happiness we spent.

**C**

We used to dance to the music, (dance to the music),

**Dm7**

**F**

**G**

Make ro-mance to the music, (make ro-mance to the music).

Chorus 3:

**C**

**G**

Now it s the same old song,

**Dm**

**G**

**F**

But with a different meaning, since you been gone.

**C**

**G**

Now it s the same old song,

**Dm**

**G**

**F**

But with a different meaning, since you been gone.
