A5 **C#5**
Do you want to elope tonight?
B5 **E5**
Getting lost in the shadows,
A5 **C#5**
All dressed up like a switchblade knife,
B5 **E5**
There sending love from the gallows.
A5 **C#5**
Or we can take a walk around the lake,
B5 **E5**
There s a gun in the fog there.
A5 **C#5**
Under the stars next to fireside,
B5 **E5**
Anywhere is better than here.

D5 **E5** **A5**
Oh mother Mary take my hand
D5 **E5** **A5**
Ill be a sailor be a man
D5 **E5** **A5** **F#5**
Ill do almost anything cause I don t care.
D5 **E5** **D#5**
Oh mother Mary take my hand.

Repete:

Take a ride on the midnight train,
We ll fall asleep at the station .
Too much wine driving me insane,
And then we will miss our destination.
Ill well do better,
Guess Its alright.
As long as we stick together.
In there will rain a rows of sunshine
We will watch it rise and shine forever

Oh mother Mary take my hand
Ill be a sailor be a man
Ill do almost anything cause I don t care.
Oh mother Mary take my hand.

Bah da bah da da bah
