

**Red Tide**

**Foxboro Hot Tubs**

**D5 C5**

**F5 / G5 F5 / G5 F5 / G5**

Baby s in her hour, {[heart?]} of darkness

Everything she feels is hopeless

Disconnected from the dance hall{[?]}

Trippin on her heart of purple{[?]}

**D C F5 / G5 F5 / G5 F5 / G5**

Is this passion or... Or your red tide...

**F5 / G5 F5 / G5 F5 / G5**

Faces of her bleak expression

Taking on her town s impression{[?]}

Tis the season s withing hour

As the summer loses power

**D C F5 / G5 F5 / G5 F5 / G5**

Is this passion or... Or your red tide...

**F5 / G5 F5 / G5 F5 / G5**

Baby s breakin your kiss goodnight

This is where her heart will not die

**D C F5 / G5 F5 / G5 F5 / G5**

Is this passion or... Or your red tide...

**F5 / G5 F5 / G5 F5 / G5**

Or your red tide

Or your red tide
