Dm Bb
I cried myself to sleep again

Gm Am
You lie right there, but I ve learned nothing

Dm Bb
I do my best to ease your pain

Gm Am
And here we are, but we ve learned nothing

F
And it s killing me

Gm
When I m in your arms

Dm C
I forget the darker days

F
And it s haunting me

Gm
These feet of mine

Dm C
Won t let me march away
