

**Scar
Foxes**

verse 1:

D Gm D#
We were banging on the doors of heaven before
Bb D
But we didn't have a chance in hell
D Gm D# Bb D
Still I tried to save it
Gm D#
My soul hit the floor and it hurt to the core
Bb D#
And I didn't have nobody to tell
D Gm D# Bb D
Didn't want to face it

Bridge:

Bb
You cut me deep, it hurt to feel
D# Bb D# Bb Gm
It's taking time, but wounds, they heal

Gm D#
Now you're just a scar, a story I tell
Bb F
Such an ugly mark, but I wear it so well
Gm F Gm D#
Like, oh well, oh well
Gm
Now you're just a scar
D# Bb F
A time that I fell for someone who didn't love me well
Gm F Gm D#
Like, oh well, oh well

verse 2:

D Gm D#
There used to be a time I'd go to sleep at night
Bb D

No, I couldn't dry my eyes
D Gm D# Bb D
Now I'm done, crying
D Gm D
There used to be a time you took all my light
Bb D#
Like nothing was left to find
D Gm D# Bb D
Now my lights are blinding

Bridge:

Bb
You cut me deep, it hurt to feel
D# Bb D# Bb Gm
It's taking time, but wounds, they heal

Gm D#
Now you're just a scar, a story I tell
Bb F
Such an ugly mark, but I wear it so well
Gm F Gm D#
Like, oh well, oh well
Gm
Now you're just a scar
D# Bb F
A time that I fell for someone who didn't love me well
Gm F Gm D#
Like, oh well, oh well
