

Youth  
Foxes

D

They didn't warn me

G Em

when i was running wild

Bm

the dragons breathing fire

in the backyard at night

D

we live in circles

G Em

and its so hard to breath

Bm

maybe the same old fears what have we here

F#m

don't bring me down with you

G

D

now i'm just chasing time

A Bm

with a thousand dreams I'm holding heavy

G D

and as we cross the line

A

these fading beats have all been severed

G D

don't tell me our youth is running out

A Bm

Its only just begun

D

If i asked you for good news

G Em

would you smile and turn away

Bm

it's like a bad dream that is too afraid to wake

D

there are many among us

G Em

and we're changing all the time

Bm

maybe the same old fears what have we here

F#m

don't bring me down with you

G

D

now i m just chasing time

**A** **Bm**

with a thousand dreams I m holding heavy

**G** **D**

and as we cross the line these

**A**

fading beats have all been severed

**G** **D**

don t tell me our youth is running out

**A** **Bm**

Its only just begun

**Em** **Bm**

these fading beats

**G** **Em**

these fading beats

**G** **D**

now i m just chasing time

**A** **Bm**

with a thousand dreams I m holding heavy

**G** **D**

and as we cross the line these

**A**

fading beats have all been severed

**G** **D**

don t tell me our youth is running out

**A** **Bm**

Its only just begun

**G** **D**

these fading beats

**A** **Bm**

a thousand dreams

**G** **D**

these fading beats

**A** **Bm**

a thousand dreams

it s only just begun...
