

**Count Me Out**  
**Foxy Shazam**

Couldn t figure out what chord was after G in the intro so heres the verse  
Verse

**G** **D** **A**

She was only seventeen a few months shy maybe  
boy looks in her eye such a lover  
a few weeks down the line they re tying the knot  
but then a few weeks after that it s over

**F#m** **G** **F#m**  
**G**

if she s spending her life without him, she s calling it quits

**D** **A** **G**

if this what love is all about  
you can count me out, baby count me out  
just count me out  
if this what love is all about  
you can count me out, baby count me out  
just count me out
