Forever Together

Welcome to the Church of Rock and Roll

Love this band!

The future. The future!

Song is simply three chords

C C/B Am

The pattern of the entire song is as follows...

C C/B Am C/B C

pluck the bass note first followed by the D(3) G(4) B(5) strings of the chord

Listen to the song for the rhythm. It can be a great teacher if you re a beginner.

Enjoy!

Hope this helps.
