Teenage Demon Baby
Foxy Shazam

```
      F                    C
Let s smash a couple of cocktails
    Bb                C
And ditch this fancy party
       F                C
Go and hide inside the graveyard down the street
                                     F C Bb C    F C Bb C
That s where people go to get away

F
The dead are pounding on the ground tonight
    C
Or maybe that s the sound of my heart
D
We hopped the gate
                         C#
Read the tombstone date, said 1965

F
The night horse drags the moon into
C
Tomorrow s bitter morn
    Dm           C#
Yeah, I want it back
                 C
Come on, give it back

F       C    Bb                    C
Teenage demon baby, I m in love with you
        A             Bb           C
There s no where in this world I d rather be

Then right here next to you

F
We were up  til dawn, I couldn t stop yawning
     C                        C
I ll never get that feeling again
      D
It s funny how this old dead piece of land
C#
Makes us feel so alive

F
The night horse drags new moon
        C
```

```
Into the daylight s final hour
      Dm            C#
Yeah I want you back
             C
Come on baby now

F        C      Bb                    C
Teenage demon baby, I m in love with you
        A                Bb           C
There s no where in this world I d rather be

Then right here next to you

F        C      Bb                    C
Teenage demon baby, I m in love with you
        A                Bb           C
There s no where in this world I d rather be

Then right here next to you

A        Bb                    C
If I go overboard, would you set me straight

Or would you not
A        Bb                    C
If I go overboard, would you let me die

Or would you not

C#
Would you let me die
C
Would you let me die
C#
Would you let me die
C
Would you let me die

F        C      Bb                    C
Teenage demon baby, I m in love with you
        A                Bb           C
There s no where in this world I d rather ...

F        C      Bb                    C
Teenage demon baby, I m in love with you
        A                Bb           C
There s no where in this world I d rather be

Then right here next to you

F C Bb C
F C Bb C
```

```
C#                              C
If I go overboard, would you let me know
            F
Or would you not
```

```
C#                              C
If I go overboard, would you let me know
            F
Or would you not
```
