**Foxy Shazam**

This is my first submission, so please be nice :p I loveee Foxy and couldn't find tabs for this song anywhere, so I figured it out myself the best I could! Enjoy :)

**C#** **F#**  
Well I tried so hard but still I fall

**C#** **G#** **C#**  
Fall back down the great below

**C#** **F#**  
And it's been a while since I have prayed

**C#** **G#** **C#**  
But tonight I'm on my knees

**C#** **F#** **C#** **G#**  
I'm asking why, why, why me?

**C#**  
The streets is where I's born

**Fm** **Bbm**  
And the streets is where I'll die

**G#** **F#** **F** **C#**  
Until then the streets is where I'll be

**C#**  
The streets is where I's born

**Fm** **Bbm**  
And the streets is where I'll die

**G#** **F#** **F** **Eb7**  
Until then the streets is where I'll be

**C#**  
So keep pouring the drinks till I forget my name

**F#**  
I love my life but it gets hard

**C#** **G#** **C#**  
As I'm sure it does for us all from time to time

**C#**  
So keep living it through, I'll keep living it too

**F#**  
I hang my head, hang it low

**C#** **G#** **C#**  
And I pray that it gets a little better down the line

**C# F# C# G#**

Why? Why me?

**C#**

The streets is where I s born

**Fm Bbm**

And the streets is where I ll die

**G# F# F Eb7**

Until then the streets is where I ll be

**F#**

**C#**

Oh sweet mother of two you work hard, so hard to keep your heads above the

**G#**

water

**Bbm**

**F#**

**C#**

**G#**

And although I stand on the shore with a line, I can t seem to untangle it

**Bbm**

**F#**

**C#**

**G#**

From the selfish dreams of my own I wish I had just a little more money

**Bbm**

**F#**

**C#**

To help you out in the times when it s hard, so hard, so hard

**C#**

The streets is where I s born
