

The Streets

Foxy Shazam

This is my first submission, so please be nice :p I loveee Foxy and couldn't find tabs for this song anywhere, so I figured it out myself the best I could! Enjoy :)

D **G**
Well I tried so hard but still I fall

D **A** **D**
Fall back down the great below

D **G**
And it's been a while since I have prayed

D **A** **D**
But tonight I'm on my knees

D **G** **D** **A**
I'm asking why, why, why me?

D
The streets is where I was born

F#m **Bm**
And the streets is where I'll die
A **G** **F#** **D**
Until then the streets is where I'll be

D
The streets is where I was born
F#m **Bm**
And the streets is where I'll die
A **G** **F#** **E7**
Until then the streets is where I'll be

D
So keep pouring the drinks till I forget my name
G
I love my life but it gets hard
D **A** **D**
As I'm sure it does for us all from time to time
D
So keep living it through, I'll keep living it too
G
I hang my head, hang it low
D **A** **D**
And I pray that it gets a little better down the line
