This is the acoustic version live from Belfast without drums and solo.

I didn't write the solo because I thought it will give you more freedom to add your own solo.  
No capo. Play it in barre chords, it sounds much better.

Intro (4x)

Verse 1

**G**                  **F**  
Back in black, I get the track babe  
**C**  
Won't be too long for my own to be back  
**G**                  **F**  
Yeah, I'm let loose, From the noose  
**C**  
That's kept me hanging around, babe  
**G**                  **F**  
I've been reaching for the sky, it's gettin' me high  
**C**  
Forget the hearse babe, I'm gonna never die  
**G**                  **F**  
I'm not gonna to try, I got a nine lives.  
**C**  
You've got everyone of them and get wild.
