[Intro]

**F** - **Bb** x2

**F** **F/A Bb** x2

[Verse]

**F** **F/A Bb** **F** **F/A Bb**

Did I tell you bout the time you failed to recognize my heart?

**F** **F/A Bb** **F** **F/A Bb**

I couldn t find a way to betray you in my arms

**Bb** **F** **C**

You held a beauty but I didn t care

**Bb** **F** **C**

For you parked your markings on your arm there

**F** **F/A Bb** **F** **F/A Bb**

Did I tell you that inspite of you I sealed my fate?

**F** **F/A Bb** **F** **F/A Bb**

And that I held you in my gaze to finally pace my gain

**Bb** **F** **C**

And though it always was away from you

**Bb** **F** **C**

Oh I can t deny you like I used to do

[Chorus]

**Dm** **Bb** **F** **C**

So cradle me now in your arms, London city

**Dm** **Bb** **F** **C**

Listen it s time to forgive and forget

**Dm** **Bb** **F** **C**

It s funny how you defied something in me

**Bb** **F** **C**

But wait a minute, I ve not finished yet

[Verse 2]

**F** **F/A Bb** **F** **F/A Bb**

Do you remember when you called me out of Castlereagh Place?

**F** **F/A Bb** **F** **F/A Bb**

How you swore to me a future through the troubles I d face?

**Bb** **F** **C**

That broken promise that we feel and tame

**Bb** **F** **C**

Oh but now I realize you were not to blame

[Chorus]

**Dm** **Bb** **F** **C**

So cradle me now in your arms, London city

**Dm** **Bb** **F** **C**

Surely it s time to forgive and forget

**Dm** **Bb** **F** **C**  
Yeah It s funny how you defied something in me  
**Bb** **F** **C**  
But wait a minute, I m not finished yet

[Bridge]

**Dm** **Bb** **F** **C**  
Lost friends, River Thames, Caledonian Road, Westminster  
**Dm** **Bb**  
St. Paul s Cathedral, and the round parts of the Regal  
**F** **C**  
And that bumbling buffoon, the Prime Minister  
**Dm** **Bb**  
And the East End where there are hard men  
**F** **C**  
Where they fight for good reason every now and then  
**Dm** **Bb**  
In their nods and their smiles, they say I m so rarified  
**F** **C**  
I m shining like a beacon in the evening light would

[Pre-Chorus]

**Bb** **F** **C**  
It all left me strong-eyed like an alley cat  
**Bb** **F** **C**  
But then you fed me and I remember that  
**Bb** **F** **C**  
So I guess what I m saying is you re not that bad

[Chorus]

**Dm** **Bb** **F** **C**  
So cradle me now in your arms, London city  
**Dm** **Bb** **F** **C**  
Surely it s time to forgive and forget  
**Dm** **Bb** **F** **C**  
Yeah It s funny how you defied something in me  
**Bb** **F** **C**  
But wait a minute, I m not finished yet
