Cannot break the cycle
 Rat on the wheel spinning clear
 Finding such frustrations a
 World undone horizons near

Now I m standing at the crossroads
And I know which way to go
But I m not strong enough to get there on my own

I m at an end
Losing control
Trying to mend
This Broken Soul
Give me one more chance
For me to show
How much I need you to heal my broken soul

Piano Interlude

*And back to the verses and chorus

Standing in the shadow
Behind a wall
Made of fear

Now I m standing at the crossroads
And I know which way to go
But I m not strong enough to get there on my own

I m at an end
Losing control
Trying to mend
This Broken Soul
Give me one more chance
For me to show
How much I need you to heal my... my broken soul
