

**A**                  **Bm**  **F#m**  
Say you will, say you dare  
**F#m**                  **D**                  **A**                  **Bm**  
Everytime you need me you know I will be there  
      **F#m**                  **D**  
A love beyond compare  
          **A**                  **Bm**  **F#m**  
Say you will say you care

**F#m**                  **D**                  **A**                  **Bm**  
Everytime you need me you know I will be there  
**F#m**                  **D**                  **A**                  **Bm**  
                                  Say you dare  
**F#m**                  **D**                  **A**                  **Bm**  
                                  Say you dare

Interlude: [**Bm**]

**D**                  **A**                  **Bm**  
Everytime you need me you know I will be there  
      **F#m**                  **D**  
You know I really care  
          **A**                  **Bm**  **F#m**  
Say you will, say you dare  
**F#m**                  **D**                  **A**                  **Bm**  
Everytime you need me you know I will be there  
      **F#m**                  **D**  
A love beyond compare  
          **A**                  **Bm**  **F#m**  
Say you will say you care
