Lies by The Frames (v1.01)

Tabbed by Michigaki

Notes:

This is my first submission here. I m not 100% sure about all the chords, but it sounded just fine to me. I m a guitar noobie so probably there are other chord variations that would sound better.

v1.01 - corrected chord before the chorus starts (G to Am)

Enjoy!

=====

C **Am**
I think it s time, we give it up
C **Am**
And figure out what s stopping us
F **C** **F** **C**
From breathing easy, and talking straight
C **Am**
The way is clear if you re ready now
C **Am**
The volunteer is slowing down
F **C** **F** **C**
And taking time to save himself

C **B** **Am** (or **F**???)
The little cracks they escalated
C **B** **Am**
And before you know it is too late
F **C** **F** **C** **G7** **Am**
For making circles and telling lies

D
You re moving too fast for me
G **G7** **C**
And I can t keep up with you
Am **D**
Maybe if you slowed down for me
G **G7** **C**
I could see you re only telling
Am **D**
Lies, lies, lies
F **C**

Am D
Lies, lies, lies
F C
When will you learn

D
 You re moving too fast for me
 G G7 C
 And I can t keep up with you
 Am D
 Maybe if you slowed down for me
 G G7 C
 I could see you re only telling
 Am D
 Lies, lies, lies
 F C
 Breaking us down with your
 Am D
 Lies, lies, lies
 F C
 When will you learn

C **Am**
 So plant the thought and watch it grow
C **Am**
 Wind it up and let it go
