Lies Frames Lies by The Frames (v1.01) Tabbed by Michigaki Notes: This is my first submission here. I m not 100% sure about all the chords, but it sounded just fine to me. I m a guitar noobie so probably there are other chord variations that would sound better. v1.01 - corrected chord before the chorus starts (G to Am) Enjoy! _____ С Am I think it s time, we give it up С Am And figure out what s stopping us С F F C From breathing easy, and talking straight С Am The way is clear if you re ready now С Am The volunteer is slowing down C F F C And taking time to save himself **Am** (or **F**???) С в The little cracks they escalated С в Am And before you know it is too late F C F С G7 Am For making circles and telling lies D You re moving too fast for me G G7 C And I can t keep up with you D Am

Maybe if you slowed down for me G G7 C

I could see you re only telling **Am D**
