The Frames - The Side You Never Get To See

6/8

Verse 1

-----

[F#m] [F#m]  
If you come, come alone  
[D] [A]  
Please don't take anyone else  
[F#m] [F#m]  
Cause we're never alone  
[D] [A]  
And tonight I want you for myself  
[F#m] [F#m]  
Take it back, take it back  
[D] [A]  
Those words that you never can help

Chorus

-----

[Bm] [Amaj7]  
And the side you never get to see  
[D] [A]  
Is the part I keep from everyone  
[Bm] [Amaj7]  
And the side you never get to see  
[D] [E]  
Is a lie, is a lie

Verse 2

-----

Will you dance, monkey dance  
Don't have me repeating myself  
Because you came here by chance  
And I'll knock you right down again

Chorus

-----

And the side you never get to see  
Is the part I keep from everyone  
And the side you never get to see  
Is alive, is alive

Chorus

-----

And the side you never get to see  
Is the part I keep from everyone  
And the side you never get to see  
Is alive, comes alive
