

**True
Frames**

This is my first tab so I hope I did ok.
This song was pretty tricky to figure out
since Glen plays out of open E.
As for the B, I didnt know what to call it
because its actually played like a Bm except
on the 7th fret. Any questions leave me a comment.

Em

I find it so hard to be true

And all these lies I m telling you

Are little anchors in my chest

That pull us down into this mess

Am

I find it easy to distract

And just as soon as you turn your back

I ll be gone again

Em

I find it so hard to be true

And all the secrets I keep from you

Are like a blackness in my heart

That slowly tears us both apart

Am

I find it easy to pretend

That we re not heading for our end

That s why I m telling you

Gmaj7

I built a wall

Bm

I cut you off

B

Now there s no lie

Bm/Am

That s gonna fix this hurt

Gmaj7

I played the saint

Bm

The saint I aint

B

Now all the hurt

Bm/Am

Is here again.... here again

Em

I find it so hard to be true

But I m gonna try my best for you

And every distance that we ve known

Will disappear before too long

Am

And every line we ve ever drawn

Will be erased before we re gone

This I swear to you

Gmaj7

I built a wall

Bm

I cut you off

B

No there s no lie

Bm/Am

That s gonna fix this hurt

Gmaj7

I played the saint

Bm

I cursed your name

B

Now there s no one

Bm/Am

But myself to blame

That you re gone

wait...

wait
