Standard Tuning

Verse 1:

F# **C#** **G#**
So what happens when the heart just stops
F# **C#** **G#**
Stops caring for anyone
F# **C#** **G#**
The hollow in your chest dries up
F# **C#** **G#**
And you stop believing
F# **C#** **G#**
So what happens when the heart gives up
F# **C#** **G#**
But the body goes on living
F# **C#** **G#**
The blood crawls to a slow and stops
F# **C#** **G#**
And flows away

Bridge:

Bbm **G#**
You see I m feeling everything
Bbm **G#**
Nothing gets by
F# **C#** **G#**
There is a hollow in my chest...
