

**Buttercups**  
**Fran Healy**

(MY FIRST ATTEMPT, PLEASE BE NICE)

In the verse on **Bm** and **F#** lift your index finger. Listen to song to get when to do it.

G2 - 3-5-5-4-3-3

**Bm**            **G**            **F#**  
It never rains but it pours  
**Bm**            **G**            **F#**  
Do keep the wolf from the door  
**G2**            **F#**  
I see him sitting in silence  
**G2**            **F#**  
Outside my house  
**G2**            **F#**  
Quiet as a mouse  
**D**                    **Asus**   **A**            **Bm**                    **F#**  
I tried to buy you roses but all the stars were closed  
**D**                    **Asus**   **A**            **Bm**                    **F#**  
And if I had a diamond ring Iâ€™d wear it through my nose  
**D**                    **Asus**   **A**  
But I canâ€™t dance and I canâ€™t sing  
**Bm**            **F#**  
A loser I suppose  
**G2**            **F#**  
So all I have is buttercups  
**G2**            **F#**  
All I have is buttercups  
**G2**            **F#**  
What is wrong with buttercups  
**Bm**            **G**    **F#**  
Who knows

**Bm**            **G**            **F#**  
You said to have and to hold  
**Bm**            **G**            **F#**  
Do let me in from the cold  
**G2**            **F#**  
I see you sitting in silence  
**G2**            **F#**  
Inside your house  
**G2**            **F#**  
Quiet as a mouse

**D** **Asus A Bm F#**  
I tried to buy you roses but all the stars were closed  
**D** **Asus A Bm F#**  
And if I had a diamond ring Iâ€™d wear it through my nose

**D** **Asus A**  
But I canâ€™t dance and I canâ€™t sing

**Bm F#**  
A loser I suppose

**G2 F#**  
So all I have is buttercups

**G2 F#**  
All I have is buttercups

**G2 F#**  
What is wrong with buttercups

**Bm G F#**  
Who knows

**Bm A G G(slide up 2 frets)**  
And this could be life as we know it

**Bm A G G(slide up 2 frets)**  
How can I see if you never show it

**Bm A G**  
I tried to buy you roses

**Bm A G**  
But all the stars were closed

**D** **Asus A Bm F#**  
I tried to buy you roses but all the stars were closed

**D** **Asus A Bm F#**  
And if I had a diamond ring Iâ€™d wear it through my nose

**D** **Asus A**  
But I canâ€™t dance and I canâ€™t sing

**Bm F#**  
A loser I suppose

**G2 F#**  
So all I have is buttercups

**G2 F#**  
All I have is buttercups

**G2 F#**  
What is wrong with buttercups

**Bm G F#**  
Who knows

**Bm G F#**  
Who knows Who knows

End on **Bm**
