

Cloud 9
Frances

[Verse 1]

F **Am** **F** **Am**
I ve climbed so high, since you were mine
Em7 **Am7**
It s a long way, a long way down
F **Am** **F** **Am**
Safe in the sky, lost in your eyes
Em7 **Am7**
But it s a long way, a long way down

[Pre-Chorus 1]

Am **Em7**
Don t let me fall

[Chorus]

C
If you re not in love
Em
Just pretend it s enough
Am **F**
And if you re leaving this behind
Am **F**
Just don t break this heart of mine
C
Cause you keep lifting me up
Em
And lifting me up
Am **F**
Now you ve built me up this high
Am
Please, don t leave me on
F **Am**
Leave me on cloud nine

[Verse 2]

F **Am** **F** **Am**
If the promises made ever should fade
Em7 **Am7**
It d be a long way, a long way down
F **Am** **F** **Am**
Foundations are laid but I m so afraid
Em7 **Am7**
That I d never replace what we found

[Pre-Chorus 2]

Am **Em7**
Don't we have it all??

[Chorus]

C
If you're not in love
Em
Just pretend it's enough
Am **F**
And if you're leaving this behind
Am **F**
Just don't break this heart of mine
C
Cause you keep lifting me up
Em
And lifting me up
Am **F**
Now you've built me up this high
Am
Please, don't leave me on
F **Am**
Leave me on cloud nine

[Bridge]

Dm **Em**
Hold me out of the darkness
Dm **Em**
To leave me now would be heartless
D **Em**
Cause I'm higher than I've ever been with you
Dm **Em**
Think about all that we've been through
Dm **Em**
I hope you don't have it in you
D **Em**
Cause you give me strength with everything you do

[Chorus]

C
If you're not in love
Em
Just pretend it's enough
Am
And if you're leaving this behind
F
Just don't break this heart of mine
C
You keep lifting me up
Em

And lifting me up

Am

F

Now you've built me up this high

Am

Please, don't leave me on

F

Am

Leave me on cloud nine
