

He Knows My Name
Francesca Battistelli

F#

Spent today in a conversation, in the mirror face to face with

D#m **B**

Somebody less than perfect. I wouldn't choose me first if

F#

I was looking for a champion. In fact I'd understand if

D#m **B**

You picked everyone before me, but that's just not my story

F# **C#9** **D#m**

True to who You are, You saw my heart and made

B

Something out of nothing

F# **C#**

I don't need my name in lights

D#m

I'm famous in my Father's eyes

B

Make no mistake

F#

He knows my name

C#

I'm not living for applause

D#m

I'm already so adored

B

It's all His stage

F#

He knows my name oh, oh

C# **D#m** **B**

He knows my name oh, oh

F#

I'm not meant to just stay quiet. I'm meant to be a lion

D#m

I'll roar beyond a song, with every moment that I've got

F# **C#** **D#m**

True to who You are, You saw my heart and made

B

Something out of nothing

C# **D#m** **B**

He calls me chosen, free forgiven, wanted, child of the King

C# **D#m** **B**

His forever, held in treasure

F#

I am loved

F#

C#

I don t need my name in lights

D#m

B

I m famous in my Father s eyes

F#

He knows my name
