And if we swim,
G **Em**
Well we could be home by midnight,
Bm
But if we don t swim,
G **Em**
We ll stay exactly where we are now.
Bm
Don t follow roads,
G **Em**
Because roads will lead you nowhere,
Bm
The way the air is thinner,
G **Em**
Out here.

G
And you came from above,
Esus4
And you will show me love.

D **G**
I lost myself and I,
D **A**
Found my little piece of sunshine,
Bm **G**
And when you move that place and time,
D **A**
You tell me don t lie, don t lie,
Bm
Baby don t.

Bm
I hide myself away at night,
G **Em**
Because we all wish that lies,
Bm
Were easier to tell,
G **Em**
Oh you tell them so well.
G

D **G**
I lost myself and I,
D **A**
Found my little piece of sunshine,
Bm **G**
And when you move that place and time,
D **A**
You tell me don t lie, don t lie,
Bm **G**
Baby don t.

D **A**
Found my little piece of sunshine,
Bm **G**
And when you move that place and time,
D **A**
You tell me don t lie, don t lie,
Bm
Baby don t.
