F-G#-G-G#-G-F

F-G#-F-G#-C#-E

[Verse 1]

F

One love
Jah love
Come and feel the vibe
He s giving us the herb
rising from under the earth
Its so we can unite
so give me and pass me the light yeaah
And throw away all your hate
come come with me

[Instrumental]

F - G# - F - E

[Verse 2]

F

Well i see jah coming
so come gather round my children
and i m not to try
to never make them fire dies
So don t break, decipher
be part of the unbreaking circle my friend
Throw away all your hay
come jam with me

G# - A#

Another new day to

[Chorus]

F - G# - E - C#

understand as much as we can
as much as we can understand
our love
We re high everywhere
We float in the air
We smoke and we float in the air of love

[Verse 3]

F - G# - E - C#

Well were feeling
to jah friend
well we ll see
well yeah
well we re feeling
love within
jah will see
well yeah

G# - A#

Another new day to

[Chorus]

F - G# - E - C#

understand as much as we can
as much as we can understand
our love
We re high everywhere
We float in the air
We smoke and we float in the air of love

[Verse 4]

F - G# - E - C#

Divided and we fall apart
i ll see the hurt
We are divided
gather all we smoked and spliff again
We free again
in peace again

(NARRATION from Bob Marley)

understand as much as we can
as much as we can understand
our love
We re high everywhere

We float in the air

We smoke and we float in the air of love
