They even bought a beebread rig
To help the flowers in mean space
They re trying to make that place green

F D
Don t know how this whole thing started
Bb G

There was a crowd and then we parted
F D

Don t know if i ll ever go back
Bb G
It s a long way across all of this black

Here i am in my bucket today . In the middle (bis)

They got a mule they call Sal
Bulldozing up canal walls
They re gonna tap that icecap too
When they do they re gonna make that green map blue

The weather is finally getting warm
And the weather is finally getting warm

Don t know how this whole thing started
there was a cloud and then it parted
Don t know if i ll ever go back
That s how i felt when i left that tarmac
