BIG RED by FRANK BLACK
album Teenager Of The Year
the intro is something like this
E D E D
75-5-5
5
E D E D
Have you heard about the big red ?
Have you heard about the big red ? They even bought a beebread rig
They even bought a beebread rig
They even bought a beebread rig To help the flowers in mean space
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G Hope the trees will take away the storm
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm EDED AG Hope the trees will take away the storm EDED
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm EDED AG Hope the trees will take away the storm EDED GE E
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm EDED AGHope the trees will take away the storm EDED GED GED CONTRACTOR
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G Hope the trees will take away the storm E D E D G E Don t know how this whole thing started C A
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G Hope the trees will take away the storm E D E D G E Don t know how this whole thing started C A There was a crowd and then we parted G E Don t know if i ll ever go back
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G Hope the trees will take away the storm E D E D G E Don t know how this whole thing started C A There was a crowd and then we parted G E Don t know if i ll ever go back C A
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G Hope the trees will take away the storm E D E D G E Don t know how this whole thing started C A There was a crowd and then we parted G E Don t know if i ll ever go back
They even bought a beebread rig To help the flowers in mean space They re trying to make that place green A G Hope the bees will take away the storm E D E D A G Hope the trees will take away the storm E D E D G E Don t know how this whole thing started C A There was a crowd and then we parted G E Don t know if i ll ever go back C A

They got a mule they call Sal
Bulldozing up canal walls
They re gonna tap that icecap too
When they do they re gonna make that green map blue

The weather is finally getting warm And the weather is finally getting warm

Don t know how this whole thing started there was a cloud and then it parted Don t know if i ll ever go back
That s how i felt when i left that tarmac

etc
