INTRO -- F#

CHORUS

**B**                    **F#**                    **E**  
This wrinkle in time, can t give it no credit

**E**                    **F#**  
I thought about my space

**B**                    **F#**  
and I really got me down (got me down)

**B**                    **F#**                    **E**  
I got me so down, I got me a headache

**E**                    **F#**  
My heart is crammed in my cranium

**B**                    **F#**  
and it still knows how to pound

VERSE

**E** **F#**  
I was counting the rings

**G#** **A**  
And I fell me into sleep

**A** **B**  
I peeked to see

**C#** **Eb** **E5**  
if you were way back when

(fill -- B)

**E** **F#**  
I was counting the trees

**G#** **A**  
Until a day when there was one

**A** **B** **C#**  
I d hoped beneath,

**C#** **Eb** **E5**  
asleep, is where that you had been

(fill -- Eb)

CHORUS

**B** **F#** **E**  
This wrinkle in time, I can t give it no credit

**E** **F#**  
I thought about my space

**B** **F#**  
and I really got me down (got me down)

**B** **F#** **E**  
I got me so down, I got me a headache (headache)

**E** **F#**  
My heart is crammed in my cranium

**B** **F#**  
and it still knows how to pound

VERSE

**A**                    **E**                    **A**  
Well, I found you.....

**G#**            **F#**  
Maybe you can help me

**B**                    **C**  
And I can help you.....

CHORUS & OUTRO

**E5**                    **B**                                    **A**  
This wrinkle in time, I can t give it no credit

**A**                                    **B**  
I thought about my space

**E5**                    **B**  
and I really got me down (got me down)

**E5**                    **B**                                    **A**  
Got me so down, I got me a headache

**A**                                    **B**  
My heart is crammed in my cranium

**E5**                                    **B**  
and it still knows how to pound (how to pound)

**E5**                    **B**                                    **A**  
Got me so down, I got me a headache (headache)

**A**                                    **B**  
My heart is crammed in my cranium

**E5**                                    **B**  
and it still knows how to pound (how to pound)

**E5**                    **B**                                    **A**  
This wrinkle in time, I can t give it no credit (credit)

**A**                                    **B**  
I thought about my space

**E5**                    **B**  
and I really got me down (got me down)

E5 (let ring)
