

Places Named After Numbers
Frank Black

From: * (Mark Schnitzius)

PLACES NAMED AFTER NUMBERS

A love song written for a black hole.

The string-arranged intro is skipped here.

```

D E D E A C D E

G E A G
Beyond below above A gravity that slumbers

E A G
At the center of Places named after numbers

E
A different kind of love

A C#m
She was right

A C#m
She was right there

A C#m D F

She was right there all the time

Am E

Collapsing all the way

And though it seems from here That she was never there
Light beams disappear Into her blackened hair
I wonder if they reappear

[Middle guitar part: slightly different from the intro]

```
-----|
--0-----0-----|
---1-----1-----0---|
-----2-----0--4>>2--2-----2-----0-----4--|
-----2--3-----2--3-----|
-----3--2-----|
```
