G-----D--2-4-2-4---2--9--7-5-7-4--A-----

Robert lead me into thought

Onion layers wait for you

C Bounty of eternal fields

Every muscle knot i feel feel G# C#

Robert tell me what to do

Tell exactly what you re not

C# G# Tails pushing grand whales

Heads hope to have the stuff

G# C# Each flag had no sail

Can you believe enough?

And though diana calls to you

She will never never yield

Every siren has her spot

```
F G# C#
Four hundred million
Oh, that is very far
F G#
        C#
Robert sweet onion
Makes me feel so tired
      C#
                 F#
                           Eb
Another layer and layers and layers oh, no
F Bb Eb Dm
Robert can you find your way?
          C#
Show me the way to come
      Bb Eb Dm
Zugzwang got me in a way
       C#
Under my opposing thumb
     C
Branishing my shield
                  C#
Robert leads me into thought
Into the dimming blue
F G# C#
Nowhere in this world
for this old jack-tar
F G#
three cheers for robert
to the cinnabar
               F#
F G# C#
                              Eb
one ponders layers and layers and layers
              G#
         Eb
layers and layers and layers
        Eb
layers and layers and layers
         Eb G#
F#
                        F# Eb
                                 G#
                                      F# Eb
                                              G#
layers and layers, Robert, Robert
                                   Robert
G\# F\# Eb (2x)
