

**Good Enough For Me**  
**Frank Foster**

Capo 2

Dont really know the lyrics so if im wrong oh well.. the chords are right i watched him play it myself

Intro: **E A**

**E** **A**  
Well the last bar bounced in the gust of georgia in 2005  
**E** **A**  
and i was sure glad when it ended Lord

cause i was dog tired

**E** **A**  
i spent my whole life running, chasing down a boy who lived a dream  
**D** **A**  
i didnt hit the big time but im having a good time  
**E**  
and thats good enough for me

**E** **A**  
but i didnt realize how a custom i become to the cheers of a crowd

**E** **A**  
so i bought me a guitar and i wore my fingers out  
**E** **A**  
i started writing and singing stringing chords and words into songs  
**D** **A** **E**  
first time i heard a hell yea, i knew id get along

Chorus

**A** **E**  
and i sing it loud cause im proud of the way its all turned out to be  
**A** **E**  
living the life of my heros, yea ol chris lo and me  
**A** **E**  
i aint making a killing but im making a living  
**A** **E**  
and thats what matters you see  
**D** **A** **E**  
i aint hit no big time but im having a good time

good enough for me

Verse 2

so i gathered uop my songs and i cut a record  
and it was home grown like me  
whiskey drunk in a run down pawn shop  
with a 5 piece band minus 3  
and we called it country but it wasnt the kind they made up in tennesse

cause i wasnt in perfect time but i had a good time  
good enough for me

Chorus

and i sing it loud cause im proud of the way its all turned out to be  
playing the bars with these guitars this ol 6 string and me  
we aint making a killing but we making a living  
and thats what matters you see  
we aint hit no big time, but we having a good time  
good enough for me

we aint no big time, but we having a good time, good enough for me
