Real Woman Frank Foster This is the real chords, i saw him play it and it is right Capo 3 Intro- Em, G, D Well she aint your ordinary lady She s in love with a bad boy, but shes classy, like a brand new mercedes She fell for a rambler, but she aint ashamed ya She took alot from me, but she still took my name **CHORUS** And Ive got me a real woman D She got the the kind of love that ll have you down on your knees A heart like hers it must be one of a kind Ya shes my real woman, looks can kill, woman shes mine Verse2 When Your a heart breaking runner, sometimes life can blind ya ya but that all changed with a long kiss out in carolina but I stepped away I had to make me a plan because the love of a real woman deserves a damn good man chorus Chorus End Chorus on Em to lead into Bridge Never had a better felling than havin her lying here next to me Heaven sent shes an angel and shes all I ll ever need **CGCG** No more long and lonely nights, and no more left out in the cold Shes my real woman that surrounds me heart and soul

CHORUS

D G

Ya Shes my real woman, looks can kill, woman shes mine
