

**Tonight**  
**Frank Foster**

Capo 4

This is Zac i put the other Frank Foster chords on here  
Hope you enjoy it

Intro: **D A G**

**D** **A**  
Another truck stop, another can of winter green  
**G** **D**  
Gispy woman dreaming on the passanger side  
**D** **A**  
and my ol band is passed out in van  
**G** **D**  
with four hundered and fifty more miles to drive tonight

**D A G**

**D** **A**  
Another passing car another country star  
**G** **G**  
come across the midnight radio  
**D** **A**  
dont sound like hank thats prolly why is aint frank  
**G** **D**  
and the reason im still a shoufer to my own show

Chorus

**D**  
And im running with devil  
**A**  
with my foot down on the pedal  
**G**  
just trying to stay off the line  
**D**  
and i need the good lord and a whiskey  
**A**  
momma to call just to say she missed me  
**G**  
to make this a little easier, long hard ride tonight

Verse 2

**D** **A**  
Another piece of southern poetry  
**G** **D**  
decides to cross my mind  
**D** **A**  
and it will keep me occupide,keep my eyes open wide  
**G** **D**  
and ill have another song before i reach the tennesees line

Chorus

Bridge

**D**

This old road im on

**A**

its dark its cold and its long

**G**

but i gotta keep driving on

**D**

cause lord know i dont want to die **A**

**G**

i dont want to die all alone

Chorus
