

Two Kids

Frank Hamilton

CAPO ON 1st FRET

**F C G Am**  
Two kids just holding hands and walking  
**F C G Am**  
And the sparks fly since the minute they got talking  
**F C**  
and it wasn't like he'd thought it through,  
**G Am**  
it came to him right out the blue  
**F C G**  
But it felt right so he said it

**F C G**  
I really really like you  
**Am F C G**  
I really really like you  
**Am F C G**  
I really really like you  
**Am F C G**  
I really really like you, quite a lot

And then she ran faster than a rabbit from a fox  
Something clicked that made her think outside the box  
And he sits back and starts to hope that this is just some stupid joke  
Cause I didn't wanna change things but it's true

I really really like you  
I really really like you  
I really really like you  
I really really really really really like you

**F C G Am F C G**  
But I just can't come to terms with the way you think  
**F C G Am F C G**  
And it seems quite laughable that you let some words change everything

(I really really like you)  
And I just can't come to terms with  
(I really really like you)  
With the way you think  
(I really really like you)  
And it seems quite laughable that you let some words change everything  
(I really really like you)  
And I just can't come to terms with  
(I really really like you)

With the way you think  
(I really really like you)  
And it seems quite stupid that  
That you let some words ruin everything
