

Ohh In Love
Frank Ocean

Standard tuning....CAPO ON THE FIRST(1st) FRET.
It goes **G, D, Em, C, G, Cadd9, D** throughout the whole song

Chords are:

G: 320003 (or 320033)
D: xx0232
Em: 022000
C: 032010
Cadd9: x32033

[Verse 1]

G
Fairy tales come and take my hand
D
Turn the page and help me understand
Em
Maybe, I ve fallen in love again
C
If I know how the story ends
G
Her song has me
Cadd9 D
Looking for traces of my melody

[Verse 2]

And I m,
G
Slowly humming, singing the simple phrase
D
And not another she can deny
Em
Caught in the sound waves
C
She can, feel my every love
G Cadd9 D
Yes I m falling, but can t seem to find the words
For her, yeah

[Hook]

G D
So in love, ohh in love
Em C
Ohh in love, ohh in love

G **Cadd9** **D**
I want to be, the song she loves
And I never thought I'd say this baby

[Verse 3]

G
Found a way to whisper in your ear
D
Everything I wanted her to hear
Em
Said I would catch her every tear
C
Hold her through the many years
G
So long I've been
Cadd9 **D**
Looking for chances for this heart in me

[Verse 4]

Now I,
G
Know that she's the lyric and the tune
D
That explains the meaning of life
Em
There is no music
C
Without her to give it to me
G **Cadd9** **D**
Yes I'm falling, but can't seem to find the words
For her, yeah

[Hook]

G **D**
Ohh in love, ohh in love
Em **C**
Ohh in love, ohh in love
G **Cadd9** **D**
I want to be, the song she loves
And I never thought I'd say this baby

G **D**
Ohh in love, ohh in love
Em **C**
Ohh in love, ohh in love
G **Cadd9** **D**
I want to be, the one she loves
And I'm hoping that she claims me

G **D** **Em** **C**

Ohh in love....

YOUR WELCOME!!
