

Pyrite Fools Gold
Frank Ocean

This song only uses a couple of chords, but it's deceptively difficult due to the strumming pattern and Frank Ocean's frequent use of hammering and pulling. The following is just the basic chord sequence, so I highly recommend listening to the song closely to try and pick up some of the nuances. Comments and suggestions welcome; this is just a rough attempt.

Chords used (EADGBE):

Em - 022000

Cadd9 - 032030

Em7 (?) - 022030

G - 320033

Gmaj7 - 2x0033

Cmaj7 - 032000

Intro / Verse

Em - **Cadd9** (I think he throws **Em7** in there sometimes, but I'm not sure)

Four measures of each.

Prechorus / Chorus

G - **Gmaj7** - **Em** - **Cmaj7** - **Cadd9**

Two measures each of the first three, one measure each for **Cmaj7** and **Cadd9**.

That's about it. Great song, couldn't find chords for it anywhere else so I hope people get some use out of these!
