

Sweet Life
Frank Ocean

[Verse 1]

A **C** **G**
The best song wasn't the single, but you weren't either
D **A**
Livin' in Ladera Heights, the black Beverly Hills
C **G**
Domesticated paradise, palm trees and pools
D
The water's blue, swallow the pill

[Pre-Chorus]

A **C**
Keepin' it surreal, whatever you like
G **D**
Whatever feels good, whatever takes you mountain high
A **C**
Keepin' it surreal, not sugar-free
G
My TV ain't HD, that's too real
D **A**
Grapevine, mango, peaches, and limes, the sweet life

C **G**
The sweet life, sweet life
D
Sweet life, sweet life
A
The sweet, sweet, sweet, sweet life
C **G**
Sweet life, the sweet life
D
Sweetie pie

[Chorus]

A **C**
You've had a landscaper and a housekeeper since you were born
G **D**
The sunshine always kept you warm
A **C**
So why see the world, when you got the beach
G **D**
Don't know why see the world, when you got the beach
A
The sweet life

[Verse 2]

The best song wasn't the single, but you couldn't turn your radio down

D **A**
Satellite need a receiver, can't seem to turn the signal fully off

Transmitting the waves

D
You're catching that breeze 'til you're dead in the grave

A **C**
But you're keepin' it surreal, whatever you like

G **D**
Whatever feels good, whatever takes you mountain high

[Pre-Chorus]

A **C** **G**
Keepin' it surreal, not sugar-free, my tv ain't HD, that's too real

Grapevines, mango, peaches, and lime, a sweet life

A sweet life

Live and die in the life

[Chorus]

You've had a landscaper and a house keeper since you were born, yeah

The sunshine always kept you warm

G **D**
Don't know why see the world, when you got the beach

[Bridge]

A **C**
And the water, is exactly what I wanted

G **D**
It's everything I thought it would be (Thought it would be)

A **C**
But this neighborhood is gettin' trippier every day

G **D**
The neighborhood is goin' ape shit crazy

[Chorus]

You've had a landscaper and a house keeper since you were born

G **D**

The sunshine always kept you warm
