

Frank Ocean

FRANK OCEAN - THINKING ABOUT YOU

This song has a far more complex chord progression than most contemporary RnB tracks,
and it took me a while to figure out. I m quite sure this is 100% correct.

[Intro]

Fmaj7 - Dm7 - Em7 - Am

[Verse 1]

Fmaj7 **Dm7**
A tornado flew around my room before you came
Em7 **Am**
Excuse the mess it made, it usually doesn't rain in
Fmaj7 **Em7**
Southern California, much like Arizona
Bb **Am**
My eyes don't shed tears, but boy they bawl

[Pre-Chorus]

Fmaj7
 When I m thinking about you
Dm7
 Oh no no no
Em7
 I ve been thinking about you
A7
 You know know know
Fmaj7
 I ve been thinking about you
Em7 **Gm**
 Do you think about me still?
F
 Do you, do you

[Chorus]

Or do you not think so far ahead?

Cause I ve been thinking about forever

[Verse 2]

[Pre-Chorus]

[Chorus]

[Bridge]

Of course

Dm7 **C**
I remember, how could I forget

G **Am**
How you feel?

Dm7 **C**
And though you were my first time

G **Am**
A new feel

Dm7
And it will never get old

C **G** **Am**
Not in my soul, not in my spirit, keep it alive

Dm7
We ll go down this road

C **G** **Am**
Til it turns from color to black and white

[Chorus]

Fmaj7 **C** **G** **Am**
Or do you not think so far ahead?

Fmaj7 **C** **G** **Am**
Cause I ve been thinking about forever

Fmaj7 **C** **G** **Am**
Or do you not think so far ahead?

Fmaj7 **C** **G** **Am**
Cause I ve been thinking about forever
