

A Good Man Is Hard To Find
Frank Sinatra

E7 **Cdim** **E7**
A good man is hard to find,
 Bm7/5- **A7** **Cdim** **A7**
You always get the other kind.
 A7/6 **D9** **Am7** **D9** **Am7** **D7**
Just when you think he is your pal,
 G **Am7** **D9** **Am7** **G** **Edim** **D7**
You look for him and find him fooling round some other gal
 E7 **Cdim** **E7**
Then you rave, you even crave,
 Bm7/5- **A7** **Cdim** **A7**
To see him laying in his grave.
D7 **G** **D** **Am7** **G** **Cdim** **E7**
So if your man is nice, take my ad - vice --
G **Am7** **G** **B7**
Hug him in the morning, kiss him every night,
E7 **Bm7/5-** **Cdim** **E7**
Give him plenty loving, treat him right
 A **A6** **Am7** **Cdim** **D9** **Am7** **D7** **Edim** **G**
Cause a good man now - a - days is hard to find.
