Let Me Try Again  
By: Frank Sinatra

**F** **C/E**  
I know I said that I was leaving,  
**Dm** **Am**  
But I just couldn't say good-bye.  
**Bb** **Am7** **Dm7**  
It was only self-deceiving  
**G7**  
To walk away from someone  
**Gm7/C** **C7**  
Who means everything in life to you.  
**Ab** **Eb/G**  
You learn from every lonely day  
**Fm7** **Dm7** **G7**  
I've learned and I've come back to stay.

Chorus:

**C** **Am7** **Dm7**  
Let me try again  
**G7** **C**  
Let me try again  
**Dm6** **E7** **Am**  
Think of all we had before  
**Am7** **D7** **Dm7/G** **G7**  
Let me try once more.  
**C** **Am7** **Dm7**  
We can have it all  
**G7** **C**  
You and I again  
**Dm6** **Am**  
Just forgive or I'll die  
**D7** **Dm7/G** **G7** **C** **Gm7** **C7**  
Please let me try again.

**F** **C/E**  
I was such a fool to doubt you  
**Dm** **Am**  
To try to go it alone  
**Bb** **Am7** **Dm7**  
There's no sense to life without you  
**G7**  
Now all I do is just exist  
**Gm7/C** **C7**  
And think about the chance I've missed  
**Ab** **Eb/G**

To beg is not an easy task

**Fm7**

**Dm7**

But pride is such a foolish mask

(Repeat Chorus except last line)

CODA:
