

Lets Do It

Frank Sinatra

This is the Intro song to the TV series: The Secret Life of the American Teenager.

It s a really catchy tune so I decided to tab it. It s my first tab ever so please

The original song was actually written by Cole Porter in 1928, and is nothing like the

version they play on the show.

Standard Tuning

(C) Am F C
Falling in love is such an easy thing to do,

[illegible]

Am **F**

Let s stop talking, let s get to it.

Am **C**
Let s fall in love.
